Each of these chairmen is actively recruiting members to work on his respective committees. Here is a chance for you to review your interests and select a committee you would enjoy serving on in 1983. Then just call the chairman and volunteer your time. If you have specific ideas that you would like to propose, it would be well to detail them in writing for the chairman so that once the entire committee is in place, they can be discussed in an organized manner. Your president has stated that involvement is the key to success. Here is a gold plated opportunity to get involved.

Regarding the National Conference, if you're the type who likes to plan ahead, after you visit Atlanta this year the approved and selected sites of the future are 1984-Las Vegas; 1985-Washington D.C.; and 1986-San Francisco. Let's all support Jim Lindblad in his efforts to be elected to the Board of Directors of the Golf Course Superintendents of America at the annual meeting in Atlanta.
