TURF TALK AT DETROIT LAKES

EDUCATION FOURSOME. Turf Supply trio of, left to right, Tychsen, Kolb and Krupp join Dr. Clinton Hodges of Iowa State, 2nd from right, for some pythium root talk.

PINE TO PALM MAN. Host superintendent Brad Klein has a lot of pines to oversee but not that many palms this far north.

FLABBERGASTED. Tom Haugen, center, can't believe someone wants to take a picture of him. Others at table always have a smile ready.

RELAXATION. After the round Brad Klein can relax with a libation and some pleasant conversation about grass - what else!
