News From MGCSA Associate Members

Turf students David Wood of Anoka Technical Institute, (seated) Troy Zufall, Purdue University (second from right) and Scott Thompson of Iowa State University discuss Jacobsen's LF-100 Fairway Mower with Training Manager Ralph Sylvester during the 22nd annual Jacobsen College Student Seminar in Racine, WI. A total of 36

students attended the three-day program.

The seminar gives graduating students the opportunity to meet educators, golf course superintendents and professional grounds maintenance personnel and benefit from their first-hand knowledge. In addition to classroom sessions, the seminar included field trips to local country clubs and Milwaukee County Stadium as well as a tour of Jacobsen's design and manufacturing facilities.

Jacobsen sponsors the seminar as part of the Company's continuing commitment to golf industry education.
