

**GO EAST YOUNG MAN**  
**THE LAND OF OPPORTUNITY**

MGCSA has regretfully accepted the resignation of Fred Anderson of Purple Hawk Golf Club in Cambridge as Vice President of the Association. Fred has accepted a new position with O.M. Scott & Sons Co. as the western Michigan technical representative for this supplier of fertilizer, pesticides, and seed. Rather than suffering the long hours of a golf course superintendent, Fred will now be enjoying 5 day work weeks, 3 day weekends, and summer vacations as he visits over 300 accounts in the central and western regions of the state. Though he is apprehensive as the "new kid in town", he looks forward to polishing up his sales technique in return for better income, job stability, and benefits. His biggest regret is leaving his superintendent friends and his affiliation with MGCSA. In appreciation for his dedicated work, the MGCSA Board of Directors approved a class change from Class A Superintendent to Life Member at the January Board meeting.

*Fred's resignation letter:*

December 19, 1988

Mr. Keith Scott  
 President  
 MGCSA

Dear Keith,

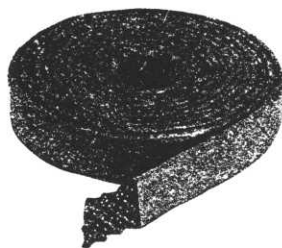

I am writing to inform you that effective immediately I will be resigning from the Minnesota Golf Course Superintendents' Association Board of Directors.

I have truly enjoyed my past years on the Board and do hope that I have served my positions well. I have learned greatly by serving on the various committees and with working with many people on and off the Board. It is an experience that I shall treasure forever.

I thank you and the members and the rest of the Board for allowing me the privilege of serving as a Board Director.

Sincerely,  
 Fred R. Anderson
