TOPDRESSING

Relax!

Let us take the worry out of
topdressing . . .

- We use only the highest quality raw materials. Our peat source is high in organic matter and our sand is processed through a 1 mm screen to assure a more desirable particle size.
- Each component is screened and processed separately. Every order is mixed at the time of pick up or delivery and rescreened to assure uniformity.
- We will formulate any mix according to customer specifications.
