

ABOUT SOUTHERN CALIFORNIA

**Here Are Some Things to Consider
In Advance of GCSAA Convention**

Southern California is sunny and warm 80 percent of the year, with low humidity and little rain. The average high temperature in February is about 67 degrees.

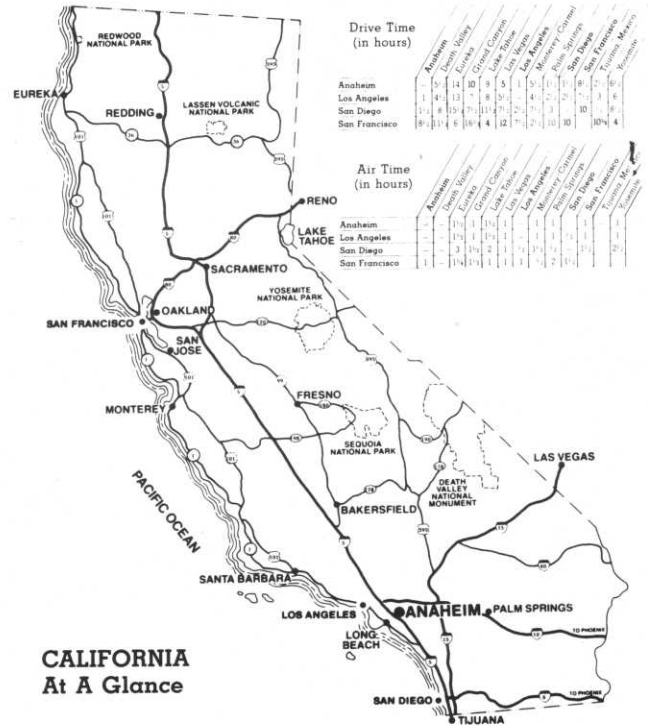

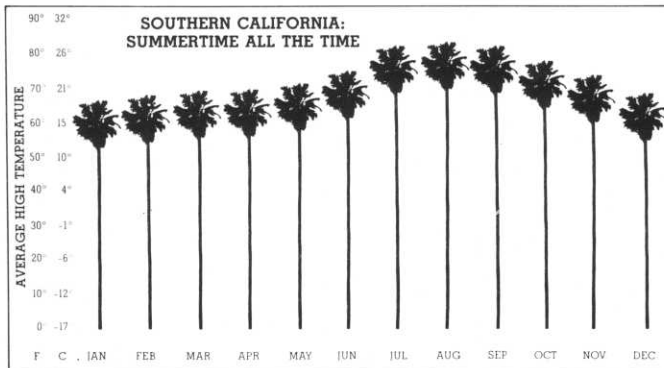

The norm is casual sportswear, although some restaurants may require a coat and tie for men (call ahead). A sweater or light jacket is needed for cool evenings.

Tipping

A tip is voluntary but is usually 15 percent of the restaurant bill or tax fare. For baggage handling, tip 50 cents to \$1 per bag.

Beaches

Newport Beach is just 20 minutes from Anaheim (drive south on Harbor Boulevard to Newport Boulevard.) Other nearby beach communities: Huntington Beach, Balboa, Corona del Mar, Laguna, Dana Point, San Juan Capistrano and San Clemente.
