

For Paul, It's Been An 'A-Mayes-Ing' Golf Season Competitively

OBVIOUSLY HAPPY about their championship performance in the Minnesota Golf Association's low net foursome competition at The Pines at Grand View Lodge is this team from The Links at Northfork. Pictured from left are Larry Peluf, Matt Petitclair, Northfork Superintendent Paul Mayes and Jim Turnbull.

Paul Mayes, head golf course superintendent at The Links at Northfork, carries a golf handicap of 3.

It appears that it's well-deserved. He certainly has had an amazing season competitively.

Paul, as you may remember, won the 1993 Minnesota Golf Course Superintendents' Association individual championship on August 9 with a four-over-par 76 on his home course.

Then on September 7-8 he led Northfork's team of Jim Turnbull, Larry Peluf and Matt Petitclair to the Minne-

sota Golf Association's first annual low net foursome championship at The Pines at Grand View Lodge, a statewide event.

A few days later, September 13 to be exact, he again was on a winning team. This time he and his partners—Ken Manthis, Mark Sollmer and Mike Rohde—captured first place in the MGCSEA's Stodola Scramble at Hillcrest Country Club by shooting a 15-under-par 57.

You could call it "A-Mayes-ing."
