

# GCSAA Names Partner For Its Annual Banquet and Show

The Golf Course Superintendents Association of America (GCSAA) has reached an agreement with Jacobsen, E-Z-Go and Textron Financial Corporation, all divisions of Textron, to a multi-year, exclusive sponsorship of the association's annual banquet and show.

The agreement marks the type of partnership established as one of the central goals in GCSAA's strategic plan for future development in member support.

GCSAA President Joseph G. Baidy, CGCS, said: "We are delighted to have the Textron group of companies as a partner in presenting this very special member event. It should be a wonderful end to a remarkable week."

Harold Pinto, vice president of sales and marketing for Jacobsen, said: "We at Jacobsen, E-Z-Go and Textron Financial Corporation are excited about this opportunity, and we're eager to offer GCSAA members a first-class event."

## IN SEARCH OF

Are you currently looking at alternative medical insurance carriers or, like myself, suddenly finding yourself paying your own premiums due to club policy?

We are not alone in meeting this challenge. Many people in our industry are facing this real problem now.

I am in search of people interested in forming a co-op health insurance group. By combining like job backgrounds with a large number of participants, we will be able to offer a reasonably affordable health insurance program as compared to an individual plan. More details of the plan will be available soon.

**Interested people should contact the President of the MGCSA, Kevin Clunis at 612/439-7760 or fax at 612/439-3531.**
