*"A Quality Grown Reputation"*

# BIO PRO™

## Liquid Fertilizer Nutrients

### Application by:

- Spraying
- Irrigation Injection

MTI and Toro are committed to providing environmentally responsible products to keep your golf course green, healthy and safe.

**Turf Iron (12-0-0)** Nitrogen with 8% Iron Supplement. Rated "best performance of all tested" by Colorado State University.

**Multi-Purpose (6-0-0)** Soil Conditioner that increases root activity and increases CEC.

**Bio Plex MP (5-3-2)** Contains simple carbohydrates, humic acids, natural biostimulants that are excellent products for sterile sandy soil with low CEC and low water holding capacities.

## Dry Fertilizer Nutrients

NATURAL ORGANIC BASED

**TURFPLEX V (22-2-3)**

**TURFPLEX VI (12-3-9)**

- Eliminates growth surges
- Reinvigorates soils with low levels of biological activity.

Green and Fairway Grades Available
