

WINDY DAY

For Garske Scholarship Scramble At Izaty's Golf & Yacht Club

1996 Garske Scholarship Scramble Champions
from Purple Hawk Country Club.

With the cool winds blowing across Lake Mille Lacs, Izaty's Golf & Yacht Club conquered most of the 36 teams in the 1996 Garske Scholarship Scramble. Two teams still found a way to shoot 59 in the 4-person scramble tournament — Purple Hawk Country Club and Precision Turf & Chemical, Inc. — on the Pete Dye designed golf course.

Host superintendent Steve Schumacher and his staff had the golf course in excellent condition and the hospitality of the pro shop and clubhouse personnel made for a wonderful tournament.

Steve was even able to hold the rains off until the tournament was finished.

Many people socialized in the clubhouse afterwards and prizes were awarded to the top four teams. Purple Hawk was declared the winner in a scorecard playoff over second place Precision Turf.

Close behind with scores of 60 were the teams from Hammond Golf Club and Turf Supply Company.

The fifth annual tournament raised approximately \$2100.00 for scholarships and has been a very popular outing for superintendents, golf course maintenance staff and members of the MGCSA.

Next year's tournament is tentatively scheduled at Pebble Creek Country Club in Becker.
