By James Gardner, CGCS

**33 Committee Reports**  
By Kevin Clunis

**34 Editor's Corner**

★ SPECIAL INSERT ★

**GCSAA AFFILIATION AGREEMENT**

**Par Ex® introduces a family of mid-sized fertilizer grades designed to meet the needs of today's closely-mowed turf.**

**par ex**  
THE EX STANDS FOR EXCELLENCE

Par Ex® and IBDU® are registered trademarks of Vigoro Industries, Inc.

**WHY MID-SIZE GRADES FOR CLOSELY-MOWED TURF?**

**BECAUSE** fairway-sized particles are too large to apply to closely-mowed turf.

**BECAUSE** greens-sized products can be difficult to spread.

**BECAUSE** IBDU® is the most reliable, most consistent source of slow-release nitrogen.
