George Ostler Joins Glenn Rehbein Companies

On April 15 George Ostler, former superintendent of Hillcrest Country Club, St. Paul, joined Glenn Rehbein Companies. Rehbein's activities include working with turf specialists to install modified soils, specialty sod and netlon Root Zone Profiles. He and Mike Kelly will be concentrating efforts in the turf field.

Glenn Rehbein Companies do construction and re-construction work and provide specialty sod — Bentgrass, Bluegrass, Sports Turf and shade tolerant turf to the industry.

Glenn Rehbein also has announced a new product, SquAyr's™ solid slabs of turf 4' x 4' x 4" which include Netlon plastic mesh element. The SquAyr's can be used in high traffic and wear areas — cart paths, tees and walkways.
