Par Ex®
introduces
a family of
mid-sized
fertilizer
grades
designed
to meet
the needs
of today's
closely-
mowed
turf.

par ex
THE EX STANDS FOR EXCELLENCE

Par Ex® and IBDU® are registered trademarks of Vigoro Industries, Inc.

**WHY MID-SIZE
GRADES FOR
CLOSELY-
MOWED TURF?**

BECAUSE fairway-sized particles are too large to apply to closely-mowed turf.

BECAUSE greens-sized products can be difficult to spread.

BECAUSE IBDU® is the most reliable, most consistent source of slow-release nitrogen.
