Par Ex[®]
introduces
a family of
mid-sized
fertilizer
grades
designed
to meet
the needs
of today's
closely-
mowed
turf.

par ex
THE EX STANDS FOR EXCELLENCE

Par Ex[®] and IBDU[®] are registered trademarks of Vigoro Industries, Inc.

WHY MID-SIZE GRADES FOR CLOSELY-MOWED TURF?

BECAUSE fairway-sized particles are too large to apply to closely-mowed turf.

BECAUSE greens-sized products can be difficult to spread.

BECAUSE IBDU[®] is the most reliable, most consistent source of slow-release nitrogen.
