Par Aide Announces New Bunker Rake

Par Aide Products, Co., St. Paul, has announced a new bunker rake.

The Bunker Pro™ is a full 15" wide, and the dual-sided, nylon-filled plastic head displays tines for smoothing on one side, a flat blade on the other. The lightweight, two-piece sonic welded head is designed for fast and efficient grooming.

Since comfort plays an important factor in player participation of course upkeep, the extra long, splinter-resistant, 54" handle with molded rubber grip surpasses conventional rakes by a full six inches. It is made from wrapped fiberglass. A reinforced honeycomb core provides extra strength and durability. A single screw makes the rake simple to assemble.

For further information contact Par Aide Products Company at 612/779-9851.

NOTICE

Get your teams lined up for the **MGCSA Scholarship Scramble** on July 14 at Hidden Creek Golf Club in Owatonna.

Cost will be \$40 per person. There will be a morning and afternoon shotgun with morning players having available tee times for afternoon golf at other local courses.

Prizes will be awarded to top scramble teams with on course contests and other events. All will be followed by a Pig Roast at Hidden Creek.

This tournament is available to members and their crew only. No ringers!

More details and sign-up will follow.
