

SCENES AT THE 1997 STODOLA

Champions of the Net Division at this year's Stodola Research Scramble, held at The Preserve, is this team from Mankato Golf Club. Pictured from left to right, are Leroy Mamer, MGCSA President Fred Taylor, Josh Blackman and Al Starke.

The team from Rolling Green Country Club misses the green but looks to have an easy par wrapped up. Superintendent and MGCSA secretary Pat Walton led his scramble team of Larry Olson, Harry Hunt and Bill Soule to a 63.

Enjoying the day from The Wilds are, from left, Chuck Schoenrock, Shad Gordon, head superintendent James Gardner and Mike Regan. The team scrambled to a 12-under-par 60.
