

# JOHN DEERE TURF GATOR

*It Whispers While It Works.*

Turf Gator toughness starts with a heavy-duty, welded frame with unibody construction. Turf Gator quietness comes from an isolation-mounted engine, large volume muffler and internal sound-absorbing material — allowing you to work without disturbing play. Like a golf cart, you simply press a pedal to start and accelerate. High-flotation tires allow the Turf Gator to work hard without scuffing the turf.
