| 67 University of Minnesota GC |                           |                                 |

THE 5TH GREEN AT DACOTAH RIDGE, site of the 2001 MGCSA Scholarship Scramble.

## The Kawasaki 3020 Mule™

**A** heavyweight investment deserves every ounce of protection you can muster. Enough power to move substantial loads comes courtesy of a big, 617cc liquid-cooled V-Twin engine. You'll make fewer trips, too, because the Mule™ 3020's big, tilting cargo bed can carry up to 800 pounds per load. If that doesn't cut it, you can hook up a trailer and more than double your carrying power. And best of all, the Mule™ 3020 cruises over your turf on wide, turf-application tires, disturbing little more than the early-morning dew.

### Kawasaki

UTILITY VEHICLES

- +Liquid-cooled, V-Twin engine
- +Air intake system overhead
- +1,330 lb. load capacity
- +Rack & pinion steering
- +Sound-insulated and extra-quiet muffler
