PARTICIPATING AT THE TROE CENTER CEREMONIES are, from left, the U of M's Dr. Brian Horgan, MGCSA Executive Director Scott Turtinen, and Dr. Jon Powell. Powell recently announced his retirement from the University of Minnesota. (See announcement on Page 19.)

Attention all Pesticide License Holders:

If you did not recertify at last years conference in December you need to recertify this year. Since we will not be having this years conference until January you need to find an alternate recertification site to keep your license. If you fail to do so you will need to retest to have a license. And just as a reminder, all applicators of pesticides to golf course properties must have a license.
