## WANTED FOR THE NEW TROE RESEARCH CENTER

To: Members/Minnesota Golf  
Course Superintendents' Association

My name is Ric Roderick and I started  
working for Dr. Jon Powell back in  
December of last year. Dr.'s Horgan,  
Powell and I are looking for a utility trailer  
for transporting our equipment back  
and forth between our existing research  
site and the new TROE research center  
that is being built. The size we are looking  
for would accommodate a tractor  
alone, or possibly two triplexes with the  
capability of loading and unloading  
without damaging the reel mowers. We  
are inquiring of the possibility that there  
is something out there that could be  
donated for helping in the development  
of our new research facility? If it does not  
materialize as a donation, we would be  
able to come up with some funds. I have  
been told a new trailer would cost in the  
neighborhood of \$3500.00, which is  
beyond our means right now.
