## Take An Active Part

*Are you an active member,  
The kind that would be missed,  
Or are you just content  
That your name is on the list?  
Do you attend the meetings  
And mingle with the crowd,  
Or do you stay at home  
And crab both long and loud?  
Do you ever go to visit  
A member who is sick,  
Or leave the work to just a few  
And talk about the clique?  
There is quite a program scheduled  
That means success, if done,  
And it can be accomplished  
With the help of everyone.  
So attend the meetings regularly  
And help with hand and heart.  
Don't be just a member,  
But take an active part.  
Think this over carefully  
Are we right or wrong?  
Are you an active member,  
Or do you just belong?*
