The Aerating Fountain

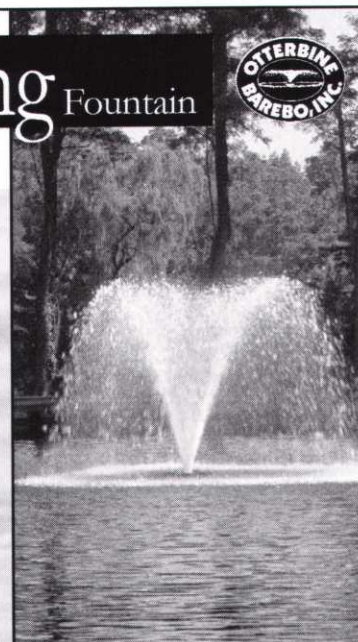

from Otterbine

AT MTI DISTRIBUTING, we know that water quality is equally as important as aesthetics. That's why we offer Otterbine Aerating Fountains to manage your ponds and lakes, as they have been independently tested and proven to create excellent circulation and oxygen transfer. Effective circulation is key in reducing algae and the beauty of an Otterbine spray pattern speaks for itself!

Highlighted features include:

- Unique Mixed-Flow Pumping System
- Eight Interchangeable Spray Patterns
- 5-Year All Inclusive Warranty
- Decorative Float Covers
