

WHERE ARE THEY NOW

Former MGCSA Scholar Winner Jonathan Glader Receives Police "Rookie of the Year" from MADD

I would like to thank the Minnesota Golf Course Superintendents' Association for the scholarships that I received while attending college at the Alexandria Technical College.

These scholarships helped to allow me the time I needed to graduate with honors from Alexandria Technical College in May of 2004, with my Associates degree in Law Enforcement.

I was hired as a police officer with the City of Forest Lake on February 28, 2005 and just recently came off my one year probation period and am a full-time member of the police department.

The MGCSA has been a part of my father's (Kerry Glader) career for 30 years and I am grateful for this profession, his dedication to this organization and for your support.

On March 8, I received a "Rookie of the Year" Award from the Mothers Against Drunk Driving organization.

Thank you to all the members of the MGCSA! Keep an eye out for me when you drive through Forest Lake. -- Sincerely, Jonathan S. Glader

Jonathan Glader received a "Rookie of the Year" Award from the Mothers Against Drunk Driving organization on March 8, 2006. Jonathan is the son of MGCSA member Kerry Glader of Plaisted Companies.
