

Super Scholarship Scramble at Somerby

The Albany / Wapicada team once again proves to be the team to beat at MGCSA events. Tom Kasner and Mickey Saatzer from Albany Golf Club teamed with Mike Kasner and Scot Milstroh from Wapicada Golf Club to shoot 13-under-par 59 at the emaculate Somerby Golf Club in Byron to edge two teams at 60. Over the years these four have combined to win many MGCSA events.

Superintendent Casey Conlin and his staff had the Somerby course in excellent condition featuring L-93 bentgrass on fairways and tees which made for a very fast playing surface.

Special thanks to Tiziani Golf Car for again donating a vehicle for the University of Minnesota to use for the 2006 season and also to all other sponsors helping make this event possible.

Make plans to attend the Uof M TROE Center Field Day on July 27 and also the MGCSA Championship at Windsong Farm in Independence on August 7.
