### *Twin City Seed Adds Larry Vetter to the Mix*

Twin City Seed Company is pleased to announce that Larry Vetter has joined the professional staff at their Edina, Minn. headquarters. Larry adds over 45 years of turf industry experience to Twin City Seed's staff, including over 42 years as a GCSAA and MGCSA member. During that time he served two terms as the President of MGCSA and also was the local chapter chairman for the GCSAA International Conference and Show when it was held in Minneapolis in 1976.

For nearly half of those 45 years Larry specialized in formulating seed and fertilizer products. In addition, he has taught Turfgrass Management for 10 years as part of a landscape curriculum at a technical college and was most recently the Executive Director of the Minnesota Turf and Grounds Foundation for the past eight years. The entire staff at Twin City Seeds is excited to have Larry on our

Team. He can be reached at 612.418.5654 and [lvetter@twincityseed.com](mailto:lvetter@twincityseed.com).

Twin City Seed Company is in its 16th year of servicing all aspects of the Turf Seed industry, including quality seed products, fertilizers and erosion control materials.

### *David Soltvedt Receives Professional Certification*

David J. Soltvedt, a member of the MGCSA and director of agronomy at The Ridge at Castle Pines North, Castle Rock, Colo. has been designated a Certified Golf Course Superintendent (CGCS) by the GCSAA.

A native of Karlstad, Minn., Soltvedt spent his youth employed at the Karlstad Golf Club as well as Justin Dagen Farms, Inc., of rural Karlstad.

Soltvedt is a graduate of Michigan State University's golf/turfgrass management program.
