ABOUT THE COVER

Mark Michalski, golf course technician at Wayzata Country Club, making room for new sod on No. 10.

THE ENVY OF ALL OTHER CLUBS.
greensIRON 3900

Top golf course superintendents trust the *greensIRON* 3900 to provide high impact results for a smoother, superior putting surface in less time while annually saving up to 40% on top dressing costs with our Turf Broom.

- quickly roll putting greens with minimal game disturbance (1,000 sq. ft./min.)
- Hydro-Gear systems make side-to-side operation comfortable and easy
- superior climbing ability with rubber-tracked drive roller for steep approaches
- minutes for maintenance with only 4 grease points

TURF BROOM (shown above)
