house on the property until December. At that time they will go to Florida on vacation for awhile before looking for some other work. They will make their decision after they have looked around the Florida area for awhile. We would hate to lose you Bob, but wish you and your family the best of luck.

We have just learned about two of our long time friends and members retiring. They are George Leppanen, Superintendent at the Virginia Municipal Golf Course, Virginia, Minnesota and John Thompson, Vermillion Fairways, Cook, Minnesota. Now that they are retired we hope they will apply for life membership through George Ostler, Membership Chairman, 1912 Shryer Ave., St. Paul, Minn. 55113. George and John, with the responsibilities of a superintendent off your shoulders, use some of your spare time by attending as many meetings as possible. We would be very glad to see you.

The picnic at Cloquet was attended by Superintendents, Associate Members, Life Members and members of the Arrowhead Turf Association from all points of the state. There was Jim Wodash and wife from Albert Lea, Tom Hopf and wife from Anoka, Mike Klatte and wife from Owatonna Municipal Golf Course, Owatonna, Minnesota and, of course several from the Twin Cities and others from various points in the northern part of the State and John Lightfoot arranged with the weatherman for a gorgeous day. No doubt there were several that I have missed and I ask your forgiveness. I will ask John Lightfoot for a copy of the names of the people that registered and any that have been missed will be mentioned in the next issue.

We have received generous contributions to the MGCSA Research Program from the Indian Hills Country Club and the Edina Country Club and we are very grateful to the Officers and Members of these Clubs for their support. Other clubs wishing to contribute to this cause, please send your contributions to Dean Sime, % Interlachen Country Club, 6200 Interlachen Blvd., Edina, Minnesota 55436.
