

GREEN CLIPPINGS

CLIP 1. It is with deep regret that we report the death of Mrs. Ruth Wareham, wife of former Executive Director Al Wareham. We wish to extend our most sincere sympathy on behalf of all his good friends in M.G.C.S.A.

CLIP 2. Mr. Frank Hannigan of the United States Golf Association recently visited Mr. Clem McCann of the Bunker Hills Golf Club in Coon Rapids, the site of the 1976 U.S.G.A. Public Links Championship. He toured the course with Clem, Dick Tollette, the club's professional and Bob Ulsaker, the U.S.G.A. Public Links' Committeeman in this area. Frank liked what he saw and predicted that the participants are in for a real treat when they play the course in 1976.

CLIP 3. The Mankato Country Club has scheduled an Irv Fuller Appreciation dinner for November 18 at 6:30 p.m. at the country club. Irv is retiring after forty-three years, yep, that's right, forty-three years of service! His successor is none other than his son, Irv Fuller, Jr. Anyone of his friends in the industry wishing to attend should call Al Heirigs at 336-0453, a local Minneapolis number.

CLIP 4. The Pebble Lake Golf Club, Inc. of Fergus Falls, Minnesota has a superintendent's opening. Here are the details: Wanted: Greenskeeper to take charge of 18-Hole Pebble Lake Golf Course at Fergus Falls beginning the 1976 season. Send resume and salary requirements to P.O. Box 772, Fergus Falls, Minnesota 56537, immediately.

CLIP 5. On November 4 Ohioans will be going to the polls and may well decide the future of golf in Ohio. Issue No. 1, if passed, will provide that all land used exclusively for outdoor recreation in Ohio will be appraised at current use value for taxation purposes. If this issue fails many golf courses could be taxed out of existence. This could have a far reaching impact on the future development of golf facilities and jobs for superintendents. This will affect both country clubs and privately owned public courses. Privately owned public golf courses already facing unfair disadvantages in competing with city, park and state courses will find themselves in a hopeless position.
