

MEET YOUR SUPERINTENDENTS !

KURT ERDMANN of the Rochester Country Club is one of the most active and also one of the pioneer members of M.G.C.S.A. Kurt joined the organization in 1946 and since that time has twice served as president as well as holding every other office except secretary-treasurer. A member of G.C.S.A.A., Kurt has been the Superintendent at Rochester Country Club for the past twenty years. He is an excellent woodworker and for the past several years has been building his own cabin on the Mississippi River for his retirement. To say that Kurt is an ice fishing enthusiast is probably the understatement of the year. Kurt and his wife, LaVina, have three grown children, Duane, Carol and Charlene.

BILL JOHNSON, Superintendent at the Edina Country Club, has been a member of M.G.C.S.A. since 1958. During this time he has served the association by serving two terms on the Board as well as serving as President for a year. Bill started at the Nemadji Golf Course in Superior in 1953 under M.G.C.S.A. Life Member Carl Anderson. He moved to the Edina Country Club in 1965 and shortly thereafter joined G.C.S.A.A. in 1967. Some of Bill's hobbies include golf (former M.G.C.S.A. champion), boating, deer hunting and curling. Bill is married to a school teacher named Joanne and they have an eight month old daughter named Tamara. Bill also has two children by a previous marriage, Marcella 15 and Paul 8.
