

MEET YOUR ASSOCIATE MEMBERS!

LARRY VETTER is the manager of the Professional Turf Products Division of the Northrup King Co. Prior to starting with Northrup King in October of 1977, Larry had served as golf course superintendent of the Minikahda Club for eleven years. Larry's history in the M.G.C.S.A. is steeped with service and dedication. Among the highlights are two terms as president of the association and serving as local general chairman for G.C.S.A.A.'s Turfgrass Conference and Show which was held in Minneapolis in 1976. Larry states that he still dearly enjoys being affiliated with a first class organization such as M.G.C.S.A. and he is thrilled to be a supporting member of the association. Whenever Larry is able to find some time away from his extensive travel schedule, he enjoys playing golf, hunting and all types of music.

MILT WILEY has been an active, vital cog in M.G.C.S.A. for nearly three decades. One must go back all the way to 1951 to find the date Milt first started giving so freely of his time and so generously of his talents in helping build our association into what it is today. Milt arrived in the Twin Cities from Philadelphia, Pa. in 1951 to join the staff of the Woodhill Country Club as golf course superintendent. Since that time Milt has worked as Vice-President of Sales for Minnesota Toro, as superintendent and manager of construction at Hazeltine and, eventually, as that club's general manager. In 1970 the M.T. Wiley Co. was formed and Milt now continues to help make that company a success. Milt and his lovely wife, Catherine, have three children and four grandchildren which is enough to keep any family busy.
