If you have a large lawn, why not mow it the way the professionals do -- with a Bob-Cat rider? Professionals use Bob-Cat because of its DURABILITY and DEPENDABILITY. They know the Bob-Cat rider will meet their exacting standards of performance. Take the time to see why so many specify the Bob-Cat rider and its many attachments. You, too, will be able to get the same professional results with your Bob-Cat.

Available with 48", 61" or 74" cutter decks.

Optional equipment includes a rotary broom, snow blower and blades, lawn vacuum and cab.
