## GOOD NEWS . . . . BAD NEWS

**PRESIDENTIAL PERK.** Even walleyes know an important hook when they see one!! President Caldwell no sooner wet the line than he had an 8 1/2 lb. fish challenging his angling skill. The Prez won, but not without the help of a hand mashie.

**BOREDOM.** After witnessing the big catch of Dale Caldwell, Treasurer Mark Smith spent the rest of the day pondering the up-coming golf season while his line hung limp in the water. Maybe next time, Mark!
