TURF BLAZER 727

84" & 104" HYDRAULIC DRIVE REEL MOWER

The TURF BLAZER 727 has the unique capacity of alternating as a rotary, reel or verticut mower, as the job demands.

Cutting units may be interchanged in a matter of minutes.

Cut tees and aprons in the morning and roughs in the afternoon.

Eliminates the need to tie up expensive capital in several machines.
