HOLE NOTES

KEES™

Commercial Mowers 21" 32" 36" 48" 60"

Lawn and turf care professionals turn to Kees Mowers for their commercial cutting needs.

- They know our Ultra High Lift Blade and baffled frame design deliver a smooth, even cut and a clean, safe discharge...
- They like the fingertip operation of clutch, brakes, power turning and variable ground speed controls.
- They need the maneuverability and positive hillside handling of a Kees...
- And they want the option of adding our convenient riding sulky and rugged 3-bushel grass catcher to their mower.

**Built By Professionals
For Professionals**
