VOLUME 17 - NUMBER 6

AUGUST 1988

A SUPERIOR TIME AT NORTHLAND

MIKE, WHICH WAY DOES THIS ONE BREAK? Probably the only one who really knows those devilish Northland greens is Superintendent Mike Netzel.

RIGHT AT HOME. The crew from North Star Turf was on HAHND.

BUGS BEAT THE HEAT. Dr. Mark Ascerno said the drought of '88 was a banner year for insects. They obviously have their dry wits about them.
