DECEMBER '88 - JANUARY '89

KEITH SCOTT WILL FACE NEW CHALLENGES THE SECOND TIME AROUND

It is fitting that a game invented by the Scots is also served by Scotts. Outgoing President Scott Hoffmann (C) and his wife, Jewell, pass the gavel to incoming President Keith Scott who will lead the association for a second term. Keith was MGCSA President in 1978. His experience and leadership will be most valuable as we prepare for the 1990's.
