

**IF YOU'RE NOT, YOU SHOULD BE,**  
mowing your roughs with the  
**TURF BLAZER 1260 Diesel.**

**IT'S FAST**, 126 inches with three decks mow several acres per hour.

**IT'S POWERFUL**, 47 horsepower in a self-contained tractor.

**IT'S A TRIM MOWER**, with a zero inch uncut circle.

**IT'S GENTLE** to your turf, only 2740 pounds on high flotation turf tires.

**IT'S QUALITY OF CUT** is great, 5 1/2 inch deep decks lift grass blades upright for cutting and discharge.

**IT'S ECONOMICAL** when compared to a tractor and five gang set, no more reels to grind.

**SEE WHY** this is the HOTTEST selling multi-deck rotary mower in the NATION. Call for a demonstration on your golf course this Spring.
