

# HELP SOME DESERVING KIDS INCH THEIR WAY THROUGH SCHOOL.

Like everything else, continued education isn't cheap. Have you checked the price of tuition lately? Or how about your basic textbook?

Today's turf students have their work cut out for them, in more ways than one. National Mower and North Star Turf have come up with an idea to help lessen the financial burden felt by many students. It's a fool-proof plan, but we desperately need your help. Here's how it works . . .

For exactly one year, beginning July 1, 1993, National Mower and North Star Turf will donate \$1.00 to the MGCSA Scholarship Fund for every inch of cut when an MGCSA member purchases a National mower. This means when you purchase a 68-inch National, we will contribute \$68.00 to the scholarship fund. The purchase of an 84-inch National would result in, you guessed it, an \$84.00 contribution.

Those of you who own a National are very familiar with its reputation as a reliable, durable triplex delivering a quality cut. For those of you who have never owned a National, there's no better time to buy one and, at the same time, help some needy turf students work their way through school.

Show some school spirit. Buy a National!
