

**Jacobsen exclusives help deliver a smooth as silk cut.**

In head-to-head comparisons, the LF-100 delivered superior fairway mowing, in all kinds of grasses.

Our exclusive heavy-section, 22" reels, combined with our unique, dual-spring down pressure system, follow ground contours closely for a smooth manicured cut. Even at production mowing speeds of more than 5 mph.

**Lightest footprint.**

The LF-100 has the lightest footprint in the industry for minimal compaction even on the softest fairways.

Yet it's heavy on quality features. Including a durable, high efficiency diesel engine. Rugged, field-proven chassis with heavy-duty lift arms. High capacity catchers. Plus, "on demand" 4WD, exclusive Turf Groomer® fairway conditioners and vertical mowers are available.

**All-new GreenSentry™ helps you maintain a spotless reputation.**

Our new oil leak detector option —GreenSentry— helps prevent nasty little oil leaks from staining your reputation in a big way.

There simply is no better way to ensure one flawless swing after another on fairways.

THE PROFESSIONAL'S CHOICE ON TURF.
