

surface. No watering in will be necessary with non-burning types of nitrogen properly applied at moderate rates.

Our host at Westbriar asked for a bermuda grass tee planting and maintenance program that he might use in converting his Poa Annua tees. This subject was covered in detail in the September 1958 issue of the " NEWSLETTER " in an open letter to Ernie Stanley, written by Bob Shields.

NEW CHAPTER OFFICERS. The members present at Westbriar elected the following men to lead the Chapter during the year 1961 :

PRESIDENT - George Gumm, Ocean City Yacht and Country Club.

VICE PRESIDENT - William Wright, Norbeck Country Club.

SECRETARY-TREASURER - Angelo Cammarota, Green Hill Yacht and Country Club.

These men have been given the responsibility of serving you by running the Chapter for you. They need your help, support and cooperation if they are to advance the profession just a little higher than it was before they took office. It's at the club and on the golf course that superintendents advance by doing a good job. Chapter Officers can do little for individual members along this line except guide, cooperate, set a good example themselves for others to follow and inaugurate a good educational program for the benefit of all. These things our chosen officers will do, but they need the help of every member and ask that it be given freely that they might do that which is best for the entire group. It's a thankless job and a difficult job so give these men any help you can.

The new officers will be officially installed at the Baltimore Turfgrass Conference January 9-10, 1961.

SPECIAL AWARDS COMMITTEE . At the request of Mr. Martin Mc Carthy, President Dunlap appointed a committee to help the USGA find an eligible individual to receive an award for outstanding accomplishment and distinguished contribution to golf through turfgrass work. Named to this committee were: James Thomas, Chairman, Tom Dawson, John Connolly, Bob Shields and Eddie Ault.

NEW MEMBERSHIP DIRECTORY. The new Membership Directory, compiled by Membership Committee Chairman, George Gumm during 1960, is now finished and ready for distribution. It is the most complete and comprehensive roster the Chapter has ever assembled and contains names, addresses and phone numbers of each member, as well as of each club. One change of address arrived to late to be included - Hugh MacRae now lives at 1634 21st St., N., Arlington, Va.

The entire Chapter is very economy minded this year, which is a good thing, therefore every effort was made to keep down the cost of this project. The cost for 200 copies of the 18-page Directory is itemized below:

150 Double Past cards @ .06¢ ea. - \$9.00  
18 Offset Duplimats at .10¢ ea. - ( From " NEWSLETTER " stock - ) \$1.86  
Typing Duplimats ( By " NEWSLETTER " typist ) - No additional outlay  
Paper - 4000 sheets @ 500 for 2.50 - \$20.60  
Duplication - \$30.00  
Assembly & stapling ( " NEWSLETTER " staff ) - No additional outlay
