

MID-ATLANTIC GOLF COURSE SUPERINTENDENTS ASSOCIATION

Nov. 1962

The November meeting was held at Island View C. C. Sterling, Va. Forty three members were present at this meeting. Ed Ault, who designed the course, spoke on some of the features of the course, one being that it was designed to be maintained in the most part by gang mowers thereby eliminating hand work. The course being only two years old was in excellent condition. Island View is planning a Bermuda program on their fairways in 1963. Dick Trevarthan is Superintendent at Island View. Dick spoke on some of the work and programs he used on his course.

Bob Shields gave an outline of the forthcoming Baltimore conference. From his description of the program it sounds like this will be one of the most varied and interesting conferences yet. Lets all make plans to attend this one. Bob also reported on National affairs and informed the members that all golf course superintendents who wish to attend any P.G.A. Golf Tournament will be admitted by showing their National Membership Card.

Tom Doerer made some fine suggestions about how to conduct our Educational Program at our local meetings. His suggestions were unanimously accepted by the members.
