JOHN STRICKLAND, president and general manager of Egypt Farms in Riderwood, Md. John is applying as a class E member and is sponsored by George Cleaver and Russ Kerns.

MEMBERSHIP FREEZE

Also decided at the same board meeting was a freeze on all membership applications except class A and B. The reason for this is so that a study committee can review our membership to determine what percentage makes up each classification. If our membership reaches more than 50% of any other class than A or B, we stand to lose our National affiliation. So until we can review our entire membership, no new applications except for A or B will be accepted.
