

is approaching middle age.

I ran into my roommate the other night, and he had changed so much that he didn't recognize me. "You've put on a little weight, Bob," I said. "It's this modern food," Bob replied. "It seems to be more fattening."

I got to thinking about poor Bob this morning while I was shaving. Stopping for a moment, I looked at my reflection in the mirror. They don't use the same kind of glass in mirrors any more.

ISN'T IT FUNNY?

From the "Tee to Green" - Nov. 1971

Isn't it funny - when the other fellow takes a long time to do something, he's slow. But when I take a long time to do something, I'm thorough.

When the other fellow doesn't do it, he's too lazy. But when I don't do it, I'm too busy.

When the other fellow goes ahead and does something without being told, he's overstepping his bounds. But when I do something without being told, that's initiative!

When the other fellow states his side of a question strongly, he's bull-headed. But when I state a side of a question strongly, I'm being firm.

When the other fellow overlooks a few of the rules of etiquette, he's rude. But when I skip a few of the rules, I'm being original.

When the other fellow does something that pleases the boss, he's polishing the brass. But when I do something that pleases the boss, that's cooperation.

When the other fellow gets ahead, he sure had the lucky breaks, but when I manage to get ahead, man! it was hard work that did it!

Funny, isn't it - or is it!
