

LETTER FROM ED

Dear Denny:

Your last Newsletter mentioned sending the Questionnaire back to you. I don't know if you want to use mine or not but since I am still a member of the Mid-Atlantic you will find it enclosed. It might help the Averages.

Everything is going very well so far for me but like the Mid-Atlantic area you can't speak with much authority until Labor Day. Time will tell.

Give my regards to all the gang. The bad part about the move is leaving so many good friends.

Sincerely,
Ed Dembnicki

BOARD NOTES

The Board met on May 20 and the following items were discussed; The board meets once a month of the second Thursday following the monthly meeting. If there are any matters you would like the board to discuss, now you'll know when to mention it to the directors.

The conference meeting place is still being discussed. Several sites have been suggested, examined and discussed but no decision has been reached.

One classification change was recorded. It was from Grant Pensinger from the Chambersburg C.C. His status is changed from Class B to Class A.

THAT'S A NO NO!!!

Word has reached us that some student members who went to the meeting at Beaver Creek played golf and left. Well, the same rule applies to student members as well as active members; if you play golf, you either eat at the club in the evening or you pay for the meal if you leave early. It's only fair to the host, the club and the rest of the membership.

DEADLINE

The deadline for any contributions for the Newsletter is the 15th of the month. If you have anything you would like to get off your mind, put it on paper and let's see it! But please get it to us by the 15th or it will be a month before it can be printed.
