NEW POLICY ON CARDS

In the past we have made it a regular practice to send out cards prior to a meeting. The returns have been unreliable to say the least. The Cards cost the membership \$25 - 32 dollars each month. Many Board members feel that we can guess more closely than the cards, for example Lee Dieter and I guessed 80 at Sparrows Point and we had 82. Past meetings are good indicators and meeting attendance varies, with the Speaker, time of year and areas the meeting is held.

If the host Super requests cards he can have them, if not we will notify him one week prior to a meeting with a close estimate. The coming picnic is an exception due to family attendance so cards will be used and Please mail them in now.
