the Vertagreen people meet you on your own ground with a professional turf program

The VERTAGREEN People from USS Agri-Chemicals offer a complete fertilizer and pesticide program designed especially for golf turf.

It can help you, the professional superintendent, achieve objectives for a superior playing, more beautiful and lasting turf.

Your local VERTAGREEN representative brings you the finest line of golf course fertilizers and turf protection products in the business.

Tune in on the VERTAGREEN Turf Program. It's made for professionals and it works.

Turf Fertilizers and Pesticides from

Agri-Chemicals

GOVERNMENT PUBLICATIONS

Recently I ran across a flyer advertising literature available through the U.S. Government Printing Office. You can get on a twice monthly mailing list which lists many publications that are available at a nominal cost. The list before me has over a hundred available pamphlets and books. The subject matter varies from "Growing Magnolias" (15¢), "Growing American Bunch Grapes" (25¢), "Using Phenoxy Herbicides Effectively" (20¢), "Selected Irrigation Return Flow Quality Abstracts" (\$2.75), and "Foot Rot of Sheep" (40¢).

One publication "Suggestions for Control of Turnover and Absenteeism" (\$1.00) could be of value to any superintendent.

To get on the free mailing list and receive this booklet twice a month, write to: Superintendent of Documents, Attn: S. L. Mail List, Washington, D. C. 20402.
