President's Message

In an attempt to collect and preserve as much golf course management related memorabilia as possible, we are requesting all Association members to assist this committee in determining what historically valuable materials are available. Ideally, items such as tools or other innovations used by yesteryear's greenkeepers, magazines, books, photographs or papers are being sought to physically capture the history of our profession.

The World Golf Hall of Fame at Pinehurst, N.C., the American Golf Hall of Fame at Foxburg, Pa., and many individual collectors have been contacted in an attempt to coordinate this effort.

Once the quantities and nature of material available have been determined, plans will be completed as to how best preserve and display these items.

Members should report their items or leads to potential items directly to: Melvin B. Lucas, Jr., GCSAA Historian Committee Chairman, The Garden City Golf Club, 315 Stewart Ave., Garden City, N.Y. 11530
