

IMPORTANT! FOR YOUR COUNTRY'S SAKE READ THIS

Reprinted from U.D. PIPELINE, July 1, 1971, Vol. 7, The Official Publication of The United Dairymen's Association.

We think this is important enough to be published in every publication in the United States and in every other Free Nation on earth every week. Not to put it into practice, but to take warning for it is already now in practice in this country. It is a poisonous rattlesnake. For the sake of your home and your country, your life and your freedom, help stamp it out. Of course, we need changes, need to keep abreast of the tremendous advances of science, but not this way.

In May of 1919, at Dusseldorf, Germany, the allied forces obtained a copy of some of the Communist Rules for Revolution. Fifty years later, the Reds are still following the rules. As you read, stop after each item and think about the present day situation where we live - and all around our nation.

We quote the Red Rules:

A. Corrupt the young; get them interested in sex; make them superficial; destroy their ruggedness.

B. Get control of all means of publicity, thereby getting the people's minds off their government by focusing their attention on athletics, sexy books and plays, and other trivialities.

C. Divide the people into hostile groups by constantly harping on controversial matters of no importance.

D. Destroy the people's faith in their natural leaders by holding them up to contempt and ridicule.

E. Always preach true democracy, but seize power as fast and as ruthlessly as possible.

F. By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.

G. Promote unnecessary strikes in vital industries, encourage civil disorders and foster a lenient and soft attitude on the part of the government toward such disorders.

H. By specious argument, cause breakdown of the moral virtues, honesty, sobriety, continence, faith in the pledged word.

I. Cause the registration of all firearms on some pretext, with a view to confiscating them and leaving the population helpless.

How many of these rules are being carried out in this nation today? I don't see how any thinking person can truthfully say that the Communists are not involved in the chaos that is upsetting our nation!
