

baron

KENTUCKY BLUEGRASS[®]

**A professional grass
for professional people**

One reason Baron is the choice of most professionals is the combination of fast germination, slow growing and its ability to quickly form what sod growers call "a tight-fisted root system." You can mow Baron as low as 1/4-inch — and that's another reason Baron is ideally suited for golf courses, sod fields, fine lawns, industrial and other landscaping areas. Since Baron is winter hardy, it keeps its deep green color well into the cold months. . .highly disease-resistant, too.

Overdue Dues

If you haven't paid your 1976 Mid Atlantic Dues, don't wait for an overdue notice. Don't risk being dropped — get your dues in. If you have turned it over to your club to pay, check them out. Don't let their mistake be your misfortune.

Action Request

To: Presidents, Secretaries, Affairs Chairman,
Newsletter Editors and Special Recipients
From: Conrad L. Scheetz, Executive Director
Re: 50th Anniversary Celebration

As you know, the Golf Course Superintendents Association of America will be 50 years old on September 13, 1976.

This is, of course, an auspicious occasion in the history of any association. This occasion will be celebrated at the place of our founding, Sylvania Country Club, Sylvania, Ohio, with exhibits, a banquet and a golf tournament, September 13, 14, & 15, 1976.

We have requested the President of the United States to designate the week of September 12-18, 1976, National Golf Course Superintendents week. This matter is under consideration by the President and was accomplished through our Senator and local Congressman.

It would be extremely helpful if each of you could take some action through your individual Senator and Congressman in this regard. It would show the President the national character of the Association and bring the name of the Association and superintendents in particular, to the attention of the public.

Your prompt attention to this request would be appreciated as the matter is now under consideration.

We can't do anything about Teddy Temper
But when weed, insects and disease show up on your
turf, we have something for almost everyone of them.
Chipco Turf Kleen, Chipco Turf Herbicide MCPP
SUP-R-FLO Maneb Flowable, Chipco Microgreen Liquid
Chip-Cal Granular And Chipco Spot Kleen
Everything to help keep your greens (and fairways) in
the pink.

From Rhodia Chipco Products

"He's not just another duffer
He's chairman of the greens committee".
