Correspondence Absent Host Thanks You

Due to unforeseen personal circumstances in my family, I regret that I was unable to attend the November 11 meeting at our club with you. I hope that each superintendent member and guest enjoyed our course and facilities. The weather was just great and we hope the impression left on you by Piney Branch was a memorable one. Even with my absence, (missed or not) a work of praise and thanks to the President and Board of Directors of the Mid Atlantic and Piney Branch for conducting and carrying out a fine meeting. I deeply regret, having been in this endeavor for as long as I have, that I never became acquainted with you long before now. With a little luck, persuasion or what have you, maybe Piney Branch can welcome you once again. If I may, a personal thanks to Bob Orzai and Bill Emerson, Walter Elseroad for a kind word out of their way offering the membership to me. From Piney Branch, hats off to you, Mid Atlantic, you are a great group of guys.
